SUBJECT: RECOMMENDATION LETTER

To Whom It May Concern:

I am pleased to write this letter of recommendation for Mr. **Adrián Blancas Rosas**. I have known Adrián in my capacity as a Teacher of English as a Second Language at **Instituto Politécnico Nacional (IPN)**. We have been working together teaching curricular English courses for 8 years now.

At work, I found Adrián to be very actively involved in his duties. He has proved to be responsible, punctual and hardworking and when it comes to working in team, he has always been trustworthy, flexible and participative.

I think he is suitable to conduct postgraduate studies in his area of interest because he has shown willingness to get a deeper training in the field of Language Teaching by means of courses and certifications. He has also demonstrated research capacities and adaptability by taking part on multidisciplinary teams that design online materials for a variety of curricular courses at this school. In addition, he has shown a strong eagerness to learn new things and to improve as an individual and as a language teacher.

Mr. Adrián Blancas speaks English fluently and has a good command of written English. I am sure that a postgraduate programme in English will provide him with every opportunity to improve his pronunciation.

I believe he has the drive to engage in any further studies. His commitment to academic accomplishment will assist him to fulfill his goals and be of enormous benefit to his students and to the institution he works for. It is for this reason that I think you should give his application a serious consideration.

Please feel free to contact me if you need any further information regarding Adrián suitability for the program.

Sincerely,

Ms. AMELIA JUÁREZ GARCÉS
